

THE ORIGINAL BARRIER TIPS

Combi-Unique Features

Neptune tips provide an ergonomic solution for ALL your universal pipettors

FlexFit®

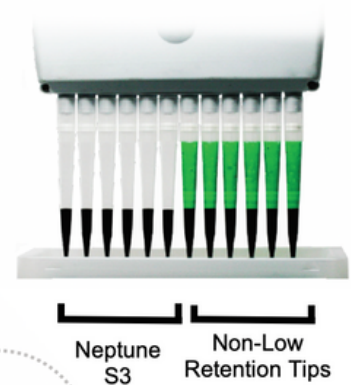

Flexible proximal end

- Compatible with the widest range of universal pipettors
- Tips don't fall off multichannel pipettors
- Less insertion force required to make a secure seal than competitors' tips
- Makes every pipettor more ergonomic

S³

Sample Saving Surface Low Retention

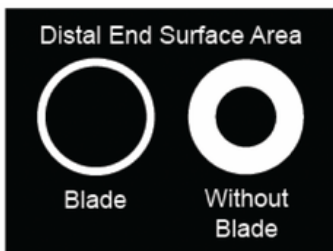

- Maximizes sample recovery
- Improves accuracy across your experiments

Blade®

Optimal surface tension

- Say goodbye to tip touch off
- Improves precision by minimizing hanging droplet formation

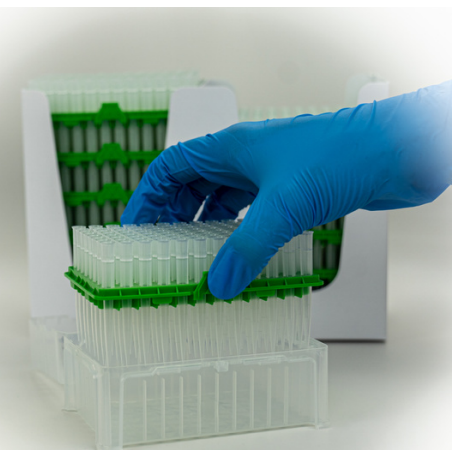

The New Neptune Rack

- The new Neptune rack gives the customer all the benefits available from competitors including:
 - Locking clasp
 - Hinged lid
 - Spin the lid 180° so it can be used as a liftoff
 - Stable base footprint
 - Fully autoclavable
 - Approx. 30% less plastic (against the most popular competitors)
